

Request for Proposal

Notice:

Mineral Area College in Park Hills (MO) will accept proposals for HVAC/R equipment for a student project: Supply Small Duct High Velocity equipment, ducting, and material to include 6-Unico variable speed H/P systems, 6-Inverter Heat Pumps with water coils, 20kw electric heaters, and all ancillary materials including ductwork for space conditioning and spot cooling. Responses to this RFP must be received at the President's Office, 5270 Flat River Rd., Park Hills, MO, 63601 (3-hard copies of a formal proposal and 1-digital copy to jgilgour@mineralarea.edu) prior to 2:00 PM on Tuesday, September 30, 2025. Questions may be directed to HVAC/R Instructor Jason Church (jchurch@mineralarea.edu). This posting and any additional details can be found at: www.mineralarea.edu/bid-opportunities
