Also, no employee shall supervise, either directly or indirectly, the work of another employee who is related within such fourth degree, unless the supervisory role is specifically approved by the president.

President approval may be granted for alternative reporting structure in times of critical need. *Critical need* is defined as a college vacancy essential to the organization's operations that requires specialized skills and must be filled with time sensitivity to adequately serve the college community.

Consensual intimate relationships between members of the college community are prohibited when there is any type of supervisory or evaluative relationship. Such

ARTICLE V – PROFESSIONAL STAFF

relationships create, or may reasonably be perceived to create, a conflict of interest, and may result in favoritism, bias, or exploitation. Violation of this policy may lead to disciplinary action up to and including termination of employment.

Current employees who are out of compliance with this policy at the time of adoption must notify Human Resources immediately and develop a plan to be compliant by June 30, 2026.

5.01 TERM OF EMPLOYMENT

The period of employment is 12 months unless otherwise noted in the contract. Contracts for full-time Professional Staff are subject to annual renewal and require Board of Trustee approval each year. As soon as possible following completion of the periodic evaluation, the Professional Staff shall receive a copy of his/her formal evaluation form and rating scale as filed in his/her personnel file.

5.07 EMPLOYEE DUE PROCESS

Employees may appeal any decisions made by a supervisor and/or administrator. In all cases the final board of appeal shall be the Board of Trustees, the governing body of the Mineral Area College District.

Guidelines

Except where a definite procedure exists, the following will serve as guidelines for all appeals:

1. Any employee wishing to make an appeal may have counsel to advise and represent him/her in the due process procedure.
2. It will be the employee's sole responsibility to see that the appeal is placed with the Director of Human Resources within ten (10) working days from the date of receiving written notification of the alleged violation.
3. The President of the College will review the case referred to him/her and render a decision. In all cases, a decision will be made only after consultation with the employee and the Human Resources Director, supervisor, and Administrator.
4. If an employee disagrees with a decision made by the President of the College, he/she may submit an appeal to the Board of Trustees. The Board may hear the appeal or affirm the decision of the President without a meeting with the employee.

ARTICLE V – PROFESSIONAL STAFF

5. In order to protect the welfare of the employee, all appeals shall be reviewed and resolved within ten (10) working days from the date the administration received the appeal.
6. No reprisals of any kind shall be taken against any employee for participation in the due process procedure.

5.08 REDUCTION IN FORCE

If, in the judgment of the Administration, it is necessary to implement a reduction in force plan because of financial considerations; a decrease in student enrollment; or program reduction, consolidation, or elimination, the President of the College shall notify the Professional Staff of such intention one hundred and twenty (120) days prior to the end of the contract period. Prior to the April Board of Trustees Meeting the President of the College and the Professional Staff, and/or Faculty-elected representatives, will meet and confer to determine whether there are acceptable alternatives to a reduction in force plan. 5.11 SICK LEAVE

For Professional Staff employees who began working for the College prior to July 1, 2023:

The primary purpose of sick leave is to protect the Professional Staff employee against losses due to illness. All full-time employees are eligible for sick leave. Each full-time employee shall accrue unlimited sick leave at the rate of 6.75 hours for each calendar month of contracted service.

Whenever any full-time Professional Staff employee is compelled to be absent from duty due to personal illness or illness of an immediate family member in their care, full compensation for the maximum accumulated sick leave hours shall be allowed. Sick leave may be taken in increments of no less than one-half hour. A Report of Absence form must be submitted immediately upon return to work.

At the beginning of each fiscal year the amount of accrued, unused sick leave will be transferred to the new contract year and additional accumulations will be made, as earned.

ARTICLE V – PROFESSIONAL STAFF

For absences in excess of 21 consecutive hours, the employee will be required to submit to the Human Resources Office medical documentation or other acceptable evidence of incapacity to work.

For Professional Staff employees who began working for the College on or after July 1, 2023:

The primary purpose of sick leave is to protect the staff member against losses due to illness. All full-time Professional Staff employees are eligible for sick leave. Each full-time Professional Staff employee shall accrue sick leave at a rate of 8 hours for each calendar month of contracted service. Whenever any full-time Professional Staff employee is compelled to be absent from duty due to personal illness, full compensation for the maximum accumulated sick leave shall be allowed. Sick leave may be taken in increments of no less than one-half hour.

At the beginning of each school year, the amount of unused sick leave will be transferred to the new contract year and additional accumulations will be made, as earned, at the rate of 8 hours per contract month.

Sick leave may not accrue beyond 1040 hours; once that maximum is reached, the Professional Staff employees will not accrue more sick leave until the accrual amount is less than 1040 hours.

For absences in excess of 21 consecutive hours, Professional Staff employees may be required to submit medical documentation or other acceptable evidence of incapacity to work.

Employees absent for longer than 21 hours, related to the same illness or injury, are required to notify the Human Resource Office so that it may be determined whether the leave qualifies as family and medical leave.

Paid sick leave may also be used by employees with disabilities for the purpose of securing necessary treatment. Employees may be required to use their accrued sick leave during a leave of absence for their own serious health condition.

In the event of campus closure due to emergency or inclement weather, employees who have scheduled sick leave are not required to utilize paid time off for the amount of time campus is closed.

Upon separation of employment with Mineral Area College, Professional Staff employees forfeit any accrued unused sick leave.

ARTICLE V – PROFESSIONAL STAFF

5.12 PAY FOR UNUSED SICK LEAVE UPON RETIREMENT

Professional Staff may accumulate sick leave not used.

Any employee who: (1) began working for Mineral Area College on or before July 1, 2023, and who (2) either retires from Mineral Area College or has been employed by Mineral Area College at least 10 years, will receive reimbursement for accumulated sick leave according to the following rate determined by the appropriate formula effective at the beginning of the 1984-85 fall term of the academic school year.

Average salary for top five years of employment or part thereof/1300=amount/6.75 hours=dollar amount per hour.

5.13 VACATION

For Professional Staff employees who began working for the College prior to July 1, 2023:

Full-time 12-month Professional Staff employees will be allowed 67.5 hours of vacation each year for the first 5 years of employment. Thereafter, the vacation allowance will be 101.25 hours. Full-time Professional Staff employees may accumulate a maximum of 135 hours of vacation during the first five (5) years of employment and 202.5 hours thereafter. All other Professional Staff employees serving less than a full year shall receive vacation in the amount equal to 5.63 hours per month worked.

However, this does not in any way alter the statement, “Vacation accrued during any fiscal year should be taken by the end of the following fiscal year unless other arrangements are made with the supervisor and approved by the President.” When an employee resigns, retires or is terminated, accrued vacation may be used before the separation date or accrued time is forfeited. If an employee is unable to use accrued vacation time based on the needs of the college, as approved by administrator and President, the employee will be compensated for accrued vacation at separation. The time of vacation shall be scheduled in accordance with the needs of the College and, as nearly as possible, at the convenience of the employee. It may be necessary to divide the allowed vacation time into two or more periods. Vacation requests shall be made to the immediate supervisor and approved by the respective administrator. Vacation time may be taken in increments of no less than one-half hour. A Report of Absence form must be submitted immediately upon return to work.

In the event of campus closure due to emergency or inclement weather, employees who have scheduled vacation leave are not required to utilize paid time off for the amount of time campus is closed.

ARTICLE V – PROFESSIONAL STAFF

- 0-5 years of employment with the College: 10 days a year (70 hours)
- 5+ years of employment with the College: 17 days a year (120 hours)

Maximum accumulated vacation time will be 17 days or 120 hours.

The time of vacation shall be scheduled in accordance with the needs of the College and, as nearly as possible, at the convenience of the classified employees. It is doubtful that the entire vacation can be scheduled at any one time period. Vacation approval is contingent upon work completion and submission of requested reports. Vacation requests shall be made to the immediate supervisor and approved by the respective administrator. Vacation time may be taken in increments of no less than one-half hour. A Report of Absence form must be submitted immediately upon return to work.

In the event of campus closure due to emergency or inclement weather, employees who have scheduled vacation are not required to utilize paid time off for the amount of time campus is closed.

Upon separation of employment with Mineral Area College, the College will pay Professional Staff employees for accrued, but unused vacation at the employee's most recent hourly rate.

No more than two vacation days may be used during the final two weeks of employment prior to separation.

5.14 EMERGENCY/PERSONAL LEAVE

Each Professional Staff employee will accrue three days of personal leave as of July 1 of each contract year. This amount will be pro-rated for employees who start work after July 1.

Personal leave can be used for any reason and does not accumulate beyond three days. Personal leave may be taken in no less than one-half hour increments.

5.15 FAMILY AND MEDICAL LEAVE

Mineral Area College complies with the Family and Medical Leave Act, a federal law providing employees the right to take a leave of absence for family, medical reasons, and military reasons.

ARTICLE V – PROFESSIONAL STAFF

5.16 WORKERS' COMPENSATION

5.17 LEAVE OF ABSENCE

Leave of absence may be granted to a Professional Staff employee without remuneration. Leave must be requested in sufficient time to permit securing an adequate temporary replacement. Leaves of absence must be approved by supervisor, appropriate administrator and human resources.

5.18 JURY DUTY/WITNESS DUTY

Mineral Area College encourages employees to fulfill their civic responsibilities by serving jury duty when required. Employees may request up to one week of paid jury duty leave over any two-year period. Normal pay will continue during that jury duty leave with pay for additional leave at the College's discretion.

If an employee is required to serve jury duty beyond the period of paid jury duty leave and the College does not choose to pay for the time served, the employee may use any available paid time off (e.g., vacation) or may request an unpaid jury duty leave of absence.

The employee must show the jury duty summons to his/her supervisor as soon as possible so that the supervisor may make arrangements to accommodate his/her absence. The employee is expected to report to work whenever the court schedule permits.

Either the College or the employee may request an excuse from jury duty if, in the College's judgment, the employee's absence would create serious operational difficulties.

5.19 VICTIMS' ECONOMIC SECURITY AND SAFETY ACT

Employees who are victims of domestic or sexual violence or who have a family/household member who is a victim of domestic or sexual violence will be provided reasonable accommodations and up to two workweeks of unpaid leave during a twelve-month period.

- Seek medical attention or recover from the physical or psychological injuries caused by domestic or sexual violence to them or their family/household member.
- Obtain services from a victim services organization for themselves or their family/household member.
- Obtain counseling for themselves or their family/household member.

ARTICLE V – PROFESSIONAL STAFF

- Seek legal assistance or remedies to ensure their health and safety or the health and safety of their family/household member, including preparing for or participating in any civil or criminal legal proceeding related to the domestic or sexual violence.

Employees who seek to use such leave must provide notice as prescribed by the Victims' Economic Security and Safety Act. The statute requires forty-eight hours of advance notice to the employer unless providing such notice is not practicable.

5.20 PROFESSIONAL IMPROVEMENT

Each employee is expected to engage in continuous professional growth. Ongoing development strengthens the institution, enhances student learning, supports community needs, and contributes to each employee's professional advancement. Employees who pursue an advanced degree or enroll in an accredited program that expands their professional skills and knowledge and benefits the institution, may apply for reimbursement. When accreditation standards or student needs require the College to request a part-time employee to complete graduate-level coursework, the employee may be eligible for tuition reimbursement in accordance with this policy.

- All reimbursement is subject to the availability of budgeted funds.
- Reimbursement requests must be submitted in advance and approved prior to course enrollment.
- Approved reimbursement may be issued after the employee has successfully completed the course with an A or B or passed the certification.
- Tuition may be reimbursed up to an amount set by the Board of Trustees.
- Tuition reimbursement exceeding IRS limits is included as taxable income on employee W-2s.

An employee who voluntarily separates from employment prior to completing or within 2 years of degree or certificate completion will be responsible for repayment according to the pro-rated scale:

Time Since Degree/Certification Completion	Repayment Requirement
2 years or more	0%
19-23 months	25%

(*Infrequent visits* are defined as those that happen from time to time but are not part of a routine.) Children temporarily visiting campus must be directly supervised by a parent/guardian at all times. If the frequency, length, or nature of visits interferes with college operations, the employee's Administrator will communicate with the employee about complying with college policy.

Animals that are unleashed, or leashed and unattended, on college property may be subject to impoundment at the expense of the owner.

5.50 FACULTY ADVISORY COMMITTEE

A committee, to be known as the Faculty Forum Executive Council (FFEC), will be elected by the Faculty and Professional Staff annually following the bylaws of the Faculty Forum Constitution.
